A- by S&P Global Ratings Europe Limited

S&P Global Ratings Europe Limited is established in the European Union and is registered under Regulation (EC) No. 1060/2009 (as amended). As such, S&P Global Ratings is included in the list of credit rating agencies published by the European Securities and Markets Authority on its website in accordance with such Regulation.

According to S&P Global Ratings Europe Limited, a rating of “A-” indicates that the obligation is somewhat more susceptible to the adverse effects of changes in circumstances and economic conditions than obligations in higher-rated categories. However, the obligor's capacity to meet its financial commitments on the obligation is still strong. The modifier “-” indicates that the obligation ranks in the lower end of the generic “A” rating category.
